

BACK 2018 TO CUSTALOGA

As part of Custaloga Town's 50th Anniversary, we are stepping back in time for the **Colonel Drake Spring Camporee!**

We will be working on the requirements for the **Indian Lore & Archaeology** merit badges, all while discovering how life might have been for Chief Custaloga. With a little help from Mercyhurst University and the French Creek Archaeological Society, we're going to have a ton of hands-on learning.

Join us for a historic event! No DeLorean needed.
